

The Bay Area Discovery Museum's Try It Truck

The Try It Truck is the Bay Area Discovery Museum's engineering-lab-on-wheels, and the perfect showstopper for your next corporate event. From Bring Your Child to Work Day to corporate family picnics, booking the Try It Truck is the perfect way to provide engaging programs and activities for your employees and their families to enjoy!

Show your employees how valued they are by providing them with a fun experience they'll be able to share with those they value most.

Group Size: The Try It Truck can accommodate groups of 50-200 children and caregivers.

Ages: Truck It Truck programs are designed for children ages 5-13

Cost: Packages start at \$2500.
